

Press Application

As the Congress is single session format, press places will be limited in number per publication/organisation. These places will be prioritised for representatives of publications that are best able to communicate the Congress proceedings to a wide and diverse target audience. Acceptance of a press place entitles an individual to a complimentary scientific registration.

Please complete this form in BLOCK CAPITALS

Section 1: Applicant Information

Title First name

Family name

Address for correspondence

DECLARATION

The Congress will not provide access to the Congress to individuals who arrive without a confirmed press registration.

All applicants are required to sign the following declaration:

I hereby undertake to inform the Ninth International Congress on Drug Therapy in HIV Infection if I accept funding to cover the registration fee from any other source. I understand that if I fail to do so I risk my complimentary registration being cancelled.
